

BORDERLESS DEFINED

Newsletter of Borderless Interpreting & Translation, LLC

Bilingual Read

Newsletter No. 108 issued by Noriko Rogers (March 6, 2022)

Last week, Yuval Noah Harari contributed an article on Russia's invasion of Ukraine to The Guardian and its full Japanese translation by Yasushi Shibata is also available online with Harari's acknowledgement.

The original article is full of insight as in Harari's other works and the translation is immaculately delivered in my humble opinion.

Here are the links to [Harari's original article](#) and Shibata's [translation](#).

The next Borderless Defined will be in your inbox in the week of March 14th. Thanks for reading!

Take care,

Noriko Rogers
